Scrum Developer Certified (SDC®)

Program Overview

Scrum Developer Certified (SDC®) is an entry level certification for Scrum Team members and those who interact with any Scrum Team. The objective of this certification is to ensure that Scrum Team members know enough about Scrum to effectively contribute to a Scrum project. The courseware and preparation tools required for the certification exam will be available online on SCRUMstudy.com. An online proctored exam will be conducted at the end of the course.
